Dr Stefana Pecher, LLC and Country Doc Walk-In & Wellness LLC would like to introduce sending text messages to your mobile phone or an e-mail to remind you of any appointments that you have scheduled. This service may also be utilized in the future to send other health information out to you, such as the need for annual appointments. The text message or e-mail service should not be solely relied upon. The responsibility of attending appointments or cancelling them still rests with you. You can cancel the text message or e-mail service at any time. **Message and data rates may apply.**

The service **does not** offer a reply facility to enable patients to respond to texts or e-mails directly. The text messages and e-mails are generated using a secure system; however, they are transmitted over a public network onto a personal telephone and as such are not secure. The practice will not transmit any information that would enable an individual patient to be identified.
